Background

CARE France is amongst the largest international humanitarian and development organization networks. As a secular and apolitical non-government organization, CARE France supports and manages humanitarian and development projects in several countries, working with communities, refugees, local civil society and national and local governments. Our objective is to lift vulnerable communities out of extreme poverty. Our approach is both global and local and we are implementing programs which include access to quality education, food security, access to drinking water, health services, income-generating activities and protection. CARE France is committed to supporting women's empowerment and ensure communities are able to claim their rights. Women are at the center of all our interventions. CARE is present in 94 countries.

CARE France is member of the CARE network. Since 2016, CARE France is working in 32 countries and has the management responsibility of CARE programs and operations in Lebanon, Morocco, Cameroon, and Madagascar with a headquarters in Paris.
