

## Urgent JOB OFFER

DEPUTY TEAM LEADER MOLDOVA

SHORT TERM CONTRACT 12 MONTHS – WORKPLACE: CHISINAU

DATE LIMITE DE CANDIDATURE : 15 MAI 2022

### Context

---

Founded in 1945, CARE is one of the world's largest non-political humanitarian networks. Our mission is to fight against extreme poverty. CARE implements emergency and development projects in mutually complementary areas: education, food security, health, drinking water, development of income-generating activities by involving communities and collaborating with local partners. CARE defends women's rights and supports their autonomy. In 2020, CARE France intervened in around thirty countries and is responsible for the management of the offices in Lebanon, Cameroon and Madagascar. The annual volume of resources is €38.4 million. The team present in Paris brings together around sixty people. To find out more about CARE: [www.carefrance.org](http://www.carefrance.org)

### Scope of work

---

The Deputy Team Leader will support the CARE Team leader who will lead and manage the emergency team and will be the interface between the Emergency Team and SERA/CARE France.

The Deputy Team Leader will contribute to the quality and effectiveness of CARE's emergency response within his/her designated area of responsibility, especially regarding partnership, information management, grant management.

### Mission

---

#### Responsibilities

##### Assessment, Program Design and Planning

- In association with the CARE Team leader, ensure emergency assessments are executed and from them an integrated emergency response, implementation and exit strategies are developed.
- Ensure that CARE International Members are provided with regular sitreps and are aware of humanitarian developments and CARE's response to them.
- Support the development of all project implementation plans and budgets within the framework of the agreed emergency response program and strategy.
- Assist and advise the CARE Team Leader with securing donor funding for emergency projects.
- Oversee project design and proposal preparations for institutional and public funding.
- Support the consolidation of the partnership model for scaling up the interventions

##### Emergency Project Management and Implementation

- Maintain ongoing surveillance of the developing humanitarian emergency situation and adjust activities accordingly.
- In collaboration with the partners, ensure adequate monitoring, reporting and acquittal of emergency response activities in accordance with CARE International's humanitarian accountability framework, relevant SPHERE standards, and essential environmental mitigation measures.
- Support the capacity building plan towards the partners
- Ensure that different sectoral activities are implemented in a coordinated and integrated manner.

- Ensure all personnel understand and carry out their duties in accordance with humanitarian principles, core values, the Code of Conduct and SPHERE.

#### **General Management and Leadership**

- Ensure all staff are fully briefed on all aspects of security, social and cultural norms and local conditions and behavior.
- Establish and maintain constructive working relationships with other NGO's, UN agencies, host government, bilateral and multilateral donors, and other principle stakeholders including the military where present and if necessary.
- Recommend changes to the emergency team composition and functioning with SERA Romania Office and partners to maximize emergency program quality and effectiveness.
- Create the conditions to ensure effective teamwork and morale. Ensure staff well-being is addressed.
- Conduct performance appraisals of emergency staff if and as required, ensure regular feedback and mentoring on individual performance.
- Ensure the Country Director, Line Management, and CARE Members are kept informed about assessment progress, emergency response implementation and strategies, project plans, progress reports, and other significant developments.
- All staff members understand and abide by the CARE Prevention of Sexual Exploitation and Abuse (PSEA) / Child Protection (CP) Policy. All staff must sign the relevant Code of Conduct. Staff are required to report any suspicions of exploitation and abuse of children and vulnerable people via established internal mechanisms. All staff must adhere to CARE's zero tolerance policy for sexual exploitation and abuse of children.
- Responsible for creating a culture of reporting any suspicions of sexual exploitation and abuse. The staff member is responsible for preventing and responding to sexual exploitation and abuse, including the review of PSEA/CP reporting mechanisms in accordance with Care's Code of Conduct and internal/ external policies.
- The staff member must monitor the development and implementation of PSEA/Child Protection reporting mechanisms in the emergency plans, reinforcing CARE's zero tolerance approach to PSEA and Child exploitation and abuse.

#### **Human Resources**

- Ensure that human resources implications for Romania response are fully assessed, identified, described and communicated.
- Monitor ongoing human resources issues of Romania response and make recommendations accordingly.
- Ensure deployed staff members receive thorough briefings and information.
- In liaison with the DCD-PS/HR staff make sure staff have suitable rest, relaxation and that well-being is addressed

#### **Public Relations/ Media**

- Support SERA/CARE to ensure positive coverage and the timely provision of situation reports and fundraising material to National Member Headquarters and the CARE International Secretariat.
- Ensure all information, publicity and fundraising material recognizes and respects the dignity of disaster victims.

#### **Safety and Security**

- Liaise with the Security Manager to ensure compliance with CARE International Security Guidelines and their effective application in the local context.

**Key Internal Contacts**

SERA Romania Country Director, CARE Team Leader and CARE France Coordinator Ukraine Response
